BARBERA D'ALBA doc 2023

Wine made from Barbera grapes. It has an intense purple-red color.
On the nose, it is fresh and fruity, with hints of sour cherry. The excellent structure is balanced by the pleasant acidity typical of the variety. The fruity aroma blends with slightly spicy notes derived from partial aging in wood.
Fresh and enjoyable on the palate, it is a wine that pairs easily with a variety of dishes.

Vineyard

Variety: Barbera
Area: Various plots
Soil: Calcareous-clay
Exposure: South-East
Vineyard area: 1.2 ha
Density: 5,200 vines/hectare
